David's Custom Trimmers wins 2017 Award of Excellence

(Jacksonville, Fla. – Jan. 21, 2017) – **David's Custom Trimmers** was recognized with the 2017 Fabrication Excellence Awards for design excellence in marine fabric applications, that took place Jan. 21 at the 2017 Marine Fabricators Conference, at the Jacksonville Marriott Suites in Jacksonville, Fla.

David's Custom Trimmers received an **Award of Excellence** for its **Beneteau Oceanis 45 The Yacht Share Design** project. The project was recognized in the competition's **Sailboat Enclosures** category.

MFA received a total of 82 entries submitted in 9 categories in this year's competition. Winners were selected based on complexity, design, workmanship, uniqueness and function. Judges were certified Master Fabric Craftsman professionals who were chosen for their knowledge in a particular product area.

All entries receive prominent recognition at the Marine Fabricators Conference. Entrants receive additional publicity through coverage in the *Marine Fabricator* and winners not only receive additional coverage in the *Marine Fabricator* but also on the MFA website and in future MFA marketing material.

The goal of the awards is to promote awareness of the marine fabrics used in marine products and applications ranging in size and type.

The Fabrication Excellence Awards is a competition sponsored by MFA, a division of the Industrial Fabrics Association International, a not-for-profit trade association whose over 1,500 member companies represent the international specialty fabrics and technical textiles marketplace.
